About us

Hola Northshore Foundation presents:

The 4rd annual Lago Fest

Lago Fest, celebrated in the frame of Hispanic Heritage Month, is a premier cultural celebration on the Northshore of Louisiana. Hosting around 1,000 enthusiastic attendees at the Mandeville Trailhead, this unique festival brings together the vibrant rhythms, authentic flavors, and traditions of the Hispanic community, creating an unmatched atmosphere in our area.

But Lago Fest is more than just a celebration, it is a mission in action.

Presented by the Hola Northshore Foundation and proudly supported by the City of Mandeville, Lago Fest serves as a primary catalyst for our community and youth empowerment initiatives. Every dollar raised help to fund our workshops, entrepreneurship support, and workforce development programs designed to transform the unique backgrounds of Hispanic, multiracial, and diverse youth across the Gulf Coast into professional and social assets. When you partner with Lago Fest, your brand does not just reach a passionate audience of 1,000+ local residents and families from South and Northshore; you actively invest in a legacy of unity, economic growth, and the next generation of diverse leaders.
